The Road to the City Natalia Ginzburg, 2023-07-04 A magnificently stark book within the smallness of one poor muddled provincial life Natalia Ginzburg finds enormous pain and loss An almost unbearably intimate novella The Road to the City concentrates on a young woman barely awake to life who fumbles through her days she is fickle yet kind greedy yet abashed stupidly ambitious yet loving too she is a mass of confusion She is in a bleak space lit with the hard clarity of a Pasolini film Her family is no help her father is largely absent her mother is miserable her sister is unhappily promiscuous her brothers are in a separate masculine world Only her cousin Nini seems to see her She falls into disgrace and then marries up but without any joy blind to what was beautiful right before her own eyes The Road to the City was Ginzburg's very first work originally published under a pseudonym I think it might be her best book her translator Gini Alhadeff remarked And apparently she thought so too at the end of her life when assembling a complete anthology of her work for Mondadori

Little Novels of Sicily Giovanni Verga, 2011-03-01 First Published in a single volume in 1883 the stories collected in *Little Novels of Sicily* are drawn from the Sicily of Giovanni Verga's childhood reported at the time to be the poorest place in Europe Verga's style is swift sure and implacable he plunges into his stories almost in midbreath and tells them with a stark economy of words There's something dark and tightly coiled at the heart of each story an ironic bitter resolution that is belied by the deceptive simplicity of Verga's prose and Verga strikes just when the reader's not expecting it Translator D H Lawrence surely found echoes of his own upbringing in Verga's sketches of Sicilian life the class struggle between property owners and tenants the relationship between men and the land and the unsentimental sometimes startlingly lyric evocation of the landscape Just as Lawrence veers between loving and despising the industrial North and its people so too Verga shifts between affection for and ironic detachment from the superstitious uneducated downtrodden working poor of Sicily If Verga reserves pity for anyone or anything it is the children and the animals but he doesn't spare them In his experience it is the innocents who suffer first and last and always
