This operation codenamed The Zipper was created to finance counterterrorism and covert operations all over the world. It's his job to supervise a team that creates millions of dollars in US currency. Everything is going well until a trusted friend sets del Marmol up pointing to him as a counterfeiter. Even though he has the undocumented sanction of government intelligence services he disavows and abandons. Facing a seventy year sentence he refuses to betray his team members. Sitting in jail cut off from his contacts he hatches a plan to escape even as the Secret Service does everything in its power to convict him and send him away for life. My Life Fidel Castro Fidel Castro, Ignacio Ramonet, 2008-06-24 The acclaimed autobiography of Fidel Castro, one of the towering political figures of our age who dominated both Cuba and the world stage for over half a century. Here Castro tells his story in full for the first time speaking openly about everything from his parents and earliest influences to his imprisonment, guerrilla war and the Cuban revolution and on to the Bay of Pigs, the missile crisis and his relationship with Che Guevara. He also remembers the people he knew from John F. Kennedy to Ernest Hemingway. Whatever your views on Castro are, this is an essential record of an incredible life and even more extraordinary times. Cubaphiles are all the richer for this book. Castro's prodigious gifts are well displayed: his formidable erudition, steely discipline, epic curiosity and his astute grasp of history. Financial Times: Castro's life has been extraordinary and he can tell a good story. Evening Standard.

My Life Fidel Castro, Ignacio Ramonet, 2009 Fidel Castro is perhaps the most charismatic and controversial head of state in modern times. A dictatorial pariah to some, he has become a hero and inspiration for many of the world's poor, defiantly charting an independent and revolutionary path for Cuba over nearly half a century. Numerous attempts have been made to get Castro to tell his own story but only now, in the twilight of his years, has he been prepared to set out the details for the world to read. Drawing on more than one hundred hours of interviews with journalist Ignacio Ramonet, a knowledgeable and trusted interlocutor, this spoken autobiography will stand as the definitive record of an extraordinary life lived in turbulent times. From publisher description.

Fidel Nestor Kohan, 2010-06-01 In the United States, ninety miles from Cuban shores, tempers flare on the subject of Fidel Castro. Some say he is a liberator, some say a dictator. In *Fidel*, Nestor Kohan and Nahuel Scherma present one of the towering figures of the twentieth century as he is seen by Latin Americans: as the leader who for over fifty years has stood up to the greatest military power in the world and remained standing. Here, in Kohan's incisive prose and Scherma's passionate illustrations, is the man who inspired by decades of Latin American Marxist thinking fought from the mountains of the Sierra Maestra to free his country, the man who walked the razor's edge between military threats by the United States and political coercion by the Soviet Union, the man who became a leader in the revolution against colonial governments from Angola to Vietnam to Latin America, the man who fought above all to transform the conscience of his people, spreading literacy, culture and free medical care to everyone on the island. Here is Fidel, the man who became the symbol of the revolution in the New World.
